MEMORANDUM FOR THE DIRECTOR

25X1

Following our brief meeting with [redacted] and [redacted] on Wednesday, 20 April, I talked with Jack Smith and conveyed to him your ideas concerning the exploitation of overt literature coming out of Communist China. Jack agreed to have a study produced which will indicate what material is available, what is now being exploited and how, where the gaps are, and how these gaps might be closed.

I think we agreed that this is an essential first step before we can move forward.
